COVID - 19 UPDATE

In these uncertain times, one thing that remains constant is our attention to events taking place around the world. Foremost is the challenge presented by the coronavirus. We certainly support efforts to keep us safe including social distancing. We also understand that this will/has had an impact on our sport.

As it is difficult for the few of us, on the Board, to contact each member with information we have left the task to our Clubs and Disciplines who, by all accounts, are doing a great job.

Sport Manitoba has issued restrictions to our insurance program which address the illness at hand and effectively leaves the responsibility with the individual to observe certain precautions to prevent spread of the problem. Insurance does not cover consequences resulting from sickness.

We have posted a memo from Sport Manitoba and the proposed waiver for MPHA membership. Again we leave it up to your Club or Discipline to ensure compliance.

Related to the situation, the Board has elected to postpone the AGM until further notice so that we may observe safe social distancing.

Stay safe.

The Board of Directors
Manitoba Provincial Handgun Association

The logo for Sport Manitoba features the word "Sport" in a large, bold, blue font, with "MANITOBA" in a smaller, bold, blue font below it. To the right is a stylized red and blue graphic element resembling a flame or a stylized letter 'S'.
